Track and Field Championships 2025 – Hurdles Events

This aspect of the 2025 Avon AA Track and Field Championships will be held on **Sunday 13th April**, at the Yate Outdoor Sports Centre, Complex, Broad Lane, Yate, Bristol, BS37 7LB, incorporated in the Yate & District AC Open Sprints and Hurdles meeting.

The entries website is now open, at <https://gratimhow.github.io/SandHInfoPage.html>

Please note that:

... The meeting will probably have an entry limit of around 200 competitors (Avon AA or otherwise, sprinters, hurdlers or both). The meeting regularly sells out, and no special concessions will be made for Avon AA Championships contenders

... Heats will be seeded on stated PB's. There is no guarantee that Avon AA competitors in the same age / gender category will be placed in the same heat. Avon AA results will be decided on times achieved

... We hope to be able to present the relevant Avon AA medals on the day.

... Athletes will be subject to the usual restrictions under UKA Rules on the number of events they may compete in on a single day (U13s / U15s / U17s: three; U20s: five). However, this does not limit competition in later meetings, so, for example, an Under-13 could compete in three events on April 13th and up to three events in the main meeting on May 11th.

... Performances at this meeting by Avon-eligible athletes are eligible for Avon AA Championships Records
