

Avon League Fixture, Sunday 15th July, Kip Keino Stadium

Parking Situation at SGAS College, Filton

"The arrangement for team managers and participants is that a charge of £3 per car will be payable at the meters in the car park.

The arrangement for officials is for them to make no payment at the meters but when signing in as an official add name and vehicle registration number to a parking declaration form. The league will make payment to the College for officials parking.

We had anticipated officials having to report to reception but completion of the parking declaration is all that is required".
