**St Kilda 'Mailboat'**

*'Sgarbstac with Stac Lee behind and Boreray to the right' by Sir Thomas Acland (1812).*

**A Fulmar**

**The St Kilda 'Parliament'**

**In 1889, John Ross, the islands' schoolmaster wrote that the parliament 'very much resembles our Honourable British Parliament in being able to waste any amount of precious time over a very small matter while on the other hand they can pass a Bill before it is well introduced'.**
